Galaxy Stationers & Printers

Designing • Digital Printing • Multi Color Offset Printing

COMPANY PROFILE

Established in 2013 as full-fledged Document Solutions Provider, **Galaxy Stationers & Printers** has earned a reputation for its quality products & prompt services. Over the years it has developed to be one of the major printing services provider (PSP) in the market.

● Infrastructure for greater Business Efficiency

MEGA GRAPHICS boosts of current Infrastructure of 1000 sq ft of working area. We also have a full-fledged corporate team bringing service to the offices and other large institutions, besides retailing through its own showrooms. We have taken few extra steps in establishing a dedicated team of experienced supervisors with vehicles to pick up and deliver order on committed time. We also have fully computerized billing section that ensures precise billing and flexibility in billing cycles & payment terms as per customer's requirements.

● Products & Quality Standards

The Company undertakes all printing related assignments assuring the best quality standards. Our relationship with the manufacturers & the wholesalers allows us to provide all our customers/clients with the best/competitive price with the guarantee of quality & reliability.

● Competitive Edge of Galaxy Stationers & Printers

Immediate Delivery

We are a service-oriented company built on the principle of delivery through adaptability, customer intimacy and network. Our products and services are delivered through discrete, pre-defined and well-documented processes. Our flexible approach enables us to respond to client requirements in a way that best suits their immediate and anticipated needs. We try and have succeeded in meeting our delivery deadlines, assuring prompt services all the time. All our executives are trained on the entire process of delivery activities to ensure the transaction is smooth and fast.

Best Pricing

We guarantee the Best pricing on all our products, with our the competitive rates we provide excellent & quality products.

● Excellent Customer Service

We aim to delight customers with our services as our products speak for themselves. Satisfied Customer Service is our aim and business Motto. We have earned a reputation in the industry for treating Customer requirements with utmost importance.
We are proud of our flexible relationship approach with long term clients and the success which we have achieved together.

● Latest Products & Innovations

We proudly can boost for the range of our entire printing solutions which we own, all the newest and recent products/services can be seen on our list vis - a - vis Printing and Document Management.
Innovation is our key for growth and success. We move with the market and update the customers with the variety of products.

● Responsibility

We believe it is simply good business to be a responsible member of the community. we think of customer in the broadest sense - from our staff to client to the broader community and environment we live in.We do not look on corporate responsibility as a box-ticking exercise, rather, we try to make it an inherent part of our business practice. Responsibility is not imposed from above at our company, rather it informs and is part of the many day-to-day decisions made by every one of our employee.

● Our Team

Every person in our staff is committed to providing excellent customer service and producing high-quality products and services. As you work with us in future, we're confident that you will find this to be true.

We owe our achievement to god's grace and the loyal patronage of our beloved customer who have supported and believed in us through out the years.In return , we are renewing our commitment to serve better and offer affordable solutions & continuously improving quality products ranges.
